Buildings-Government-Bellary-Siruguppa-Government quarters-Reallocation proposals-sent.

Owing to the abolition of Siruguppa taluk in 192 proposals for the allocation of Government quarters at Siruguppa were sent to Government in reply to Government Memorandum No. 2647-C/22-3 dated 9.11.22 and they ~~are~~ were approved by Government in G.O.No. 693 dated 7.5.24 with a slight modification. Now that the Siruguppa taluk has been restored with effect from 15.4.1929, I have ordered the following changes in anticipation of Government approval

P 8980 693 Revs 7-5-24 (G)

(a) The Stationary Sub Magistrate who is occupying the Taluk office building shall move into the old Sub Magistrate office.

(b) The Public Works Department Section Officer shall use two of the three rooms in the old Sub Magistrate's office one for the Section office and the other for storing articles etc.

(c) The Health Inspector shall use the third inner room of the old Sub Magistrate's office, for his office.

The Executive Engineer and the District Health Officer, Bellary consulted in the matter have agreed to the proposal. I request that my action may be approved.

2. As regards the Government residential quarters at Siruguppa I forward herewith a statement

5 inflo.

Page 5 in file

statement showing their proposed reallocation with reference to the requirements of the Revenue Department. As one of the buildings was originally intended for the Sub Registrar provision is made for him, his clerk and his two peons. The building originally intended for the Land Record Inspector(which post is now ablished) is alloted to the Public Works Department Overseer, on the representation of the Executive Engineer, that one should be reserved for him. One quarter is also provided for his peon. The seven clerks' quarters in Block No. II demolished to the basement level, have to be constructed to provide accomodation for clerks. The Executive Engineer, Bellary has been asked to prepare estimates for their construction and his report is awaited. The several officers of the other Departments Viz the Police Circle Inspector, the Health Inspector, The Excise Sub Inspector and the Vaccinator, who were occupying the buildings hitherto available were given sufficient notice to quit their quarters in favour of Revenue subordinates so early as November 1928.

I request that the reallocation of quarters now proposed may be approved.
